

## Science (9-12) Montreat College

Minimum of two (2) semester hours is required to fulfill each of the following competencies unless otherwise noted.

| Competency |                                     | Course Prefix & Number | Course Title                                      | Course Offerings |
|------------|-------------------------------------|------------------------|---|------------------|
| A          | Biology (beyond introductory level) | BL 315                 | Cell Biology                                      |                  |
|            |                                     | BL 405                 | Microbiology                                      |                  |
| B          | Chemistry                           | CH 201, 202            | Environmental Inorganic Chemistry I, II           |                  |
| C          | Earth Science                       | AT 101                 | The Solar System                                  |                  |
|            |                                     | AT 102                 | Stars & Galaxies                                  |                  |
|            |                                     | ES 150                 | Introduction to Environmental Science             |                  |
|            |                                     | ES 206                 | Ecology   |                  |
| E          | Additional Science                  | BL                     | Any biology course not listed above               |                  |
|            |                                     | CH                     | Any chemistry course not listed above             |                  |
|            |                                     | ES                     | Any environmental science course not listed above |                  |
|            |                                     | PC                     | Any physics course not listed above               |                  |
